1. Applicant is reminded that, by statute, a reissue application can only be granted for the un-expired portion of the term of the original patent. If the patent term has expired due to non payment of maintenance fees, no reissue can be issued. See <u>In re Morgan</u>, 990 F.2d 1230, 26 USPQ2d 1392 (Fed. Cir. 1983), which holds that reissue applications can only be issued for un-expired patents.

2. Claim 26 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 26 depends from claim 25, which has been cancelled.

- 3. Claims 1-20, 22-24, 27-37, 39, 49-53, and 56-62 are allowed.
- 4. In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed.

An example of acceptable language to be used in the supplemental oath/declaration is as follows:

Application/Control Number: 09/847,759

Art Unit: 3634

"Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant."
